February 27, 2014

Dear Parent,

We are currently registering children for the 2014-2015 school year. We have a variety of programs to meet the needs of families with young children.

Playmates Learning Center provides programs for children age 24 months to 12 years old from 6:30-6:00 PM. Monday through Friday. We offer morning and afternoon Preschool for 3 and 4 years olds. We provide Pre-K for 4 year olds who need a 5 day program and half day AM Kindergarten. We provide transportation to Sandown North Elementary School and Chester Academy for those families whose children are enrolled in afternoon public Kindergarten. School buses transport children from Sandown North and Sandown Central Schools to Playmates after school and we pick up children at Chester Academy at the end of their school day and transport them to Playmates Learning Center.

We look forward to having our staff return for another school year and our twenty-seventh year at Playmates Learning Center. We are fortunate to have such dedicated, experienced teachers working with our children every year.

In the fall, Sandown North Elementary School is providing the option of a full day Kindergarten for 20 children at the rate of \$4500 for the school year. Playmates will continue to offer a half day private morning Kindergarten and transportation to and from afternoon public Kindergarten which will remain at no cost. For families who need their children in daycare for the whole day, we provide Morning Kindergarten, transportation to public Kindergarten in the afternoon and daycare before and after school for \$175 per week. We are open from 6:30 AM to 6:00 PM.

Registration is necessary at Playmates for preschool, Pre-K and Kindergarten because we have children who do not need daycare but whose parents enroll them in these programs. Please return your registration form with a \$50.00 registration fee as soon as possible. For those parents registering for Preschool who may be unsure of the days they wish for their child, please book something now so that you do not lose a slot that you might need later. Changes are often made in Preschool right up until September.

If you have any questions about programs or tuition, please contact me by phone or by email to lmeehan@playmateslc.com. I look forward to helping you with the early education of your child. Also, if you have friends with children of preschool age, please let them know about our current registration. They are welcome to come for a tour of the school..

Sincerely yours,
Linda D. Meehan, M.Ed, M.S.W
Director
